I understand that I will be required to take and pass a drug screen before possible employment. I also understand that I will be required to present two forms of identification (for example, driver's license, social security card) and will be required to provide my own STEEL TOED safety shoes or boots.

I affirm that everything is true and correct, and I acknowledge that I can be terminated at anytime if it turns out that any information I supply is false. I affirm that I have a genuine intent and no other purposes in applying for a job with the company.
